

## Cudahy Water Utility Hydrant Permits

The Cudahy Water Utility does allow the usage of city fire hydrants to supply water for construction purposes. Permits must be applied for in person at the Water Utility Billing Office at 5050 S. Lake Drive (City Hall).

Permit Fee - \$45.00 Must be paid in full prior to permit being issued.

Usage Fee - \$1.41 per 100 cubic feet or 748 gallons

If the permit is used longer than 30 days a monthly charge of \$33.00 will be levied for meter rental.

Permits are normally issued from April 1 through November 15 of each year. Special permission is required for permitted use in winter months.

Call the Water Utility Billing Office at (414) 769-2237 with any questions.
